

COVID-19 Student Face Covering Exemption Request

Due to the COVID-19 pandemic and in compliance with the Salt Lake County Public Health Order, Jordan School District will require students to wear face coverings while at school. **A physician's signature is not required for a student mask exemption.**

Jordan School District recognizes that some students may have a medical condition, mental health condition, or disability that prevents wearing a face covering. In order to receive an exemption from the County's face covering requirements, this form must be completed and returned to the school your child attends **prior to your student attending school without a face covering.**
